

## Reflection

The activity I choose is watching a movie. This movie is named “Johnny English”. It is a spy-action-comedy movie parodying the James Bond secret agent genre. The story is told about Jonny English, the person who was accidentally promoted to agent, and his assistant Bough assigned to complete big missions. During the mission, there are many problems he faces. Although he is a clumsy guy, he can complete his missions.

I chose this activity because I rarely watch movies and I haven't seen a movie in a while although I have many lists of movies that I want to watch such as TENET, James Bond, Marvel cinemas and ETC because I like to watch movies with my friends in the cinema. I miss those atmospheres a lot so I decided to watch movies even though it's not the same at all.

I've learned that no matter how clumsy you can be if you have a strong determination and never give up on obstacles, you can succeed your goals like Johnny English. Like I said, Jonny English was accidentally promoted to agent. Although he doesn't know how to be a good agent but he tried his best.
